IRVINE CAMPUS

UNRELENTING LOVE

It's been incredible to see the start of our new campus in Irvine (CA). Because of your joyful generosity and unrelenting love, we now are able to reach people who are far from God in ways that we never have been able to before.

In January, we launched the first of our three new "Unfinished" campuses through a merger with Journey Christian Church in Irvine. Now, together as Eastside Irvine, we are already making a difference in South Orange county.

In just the three miles around the new campus location, there are over 68,000 households. We work expectantly, knowing new people will come to Christ, families will be restored and friendships will be mended as the gospel is proclaimed.

We've hired a campus pastor, Brendan Murphy, along with two additional staff members to lead the charge as we build community together.

We cannot wait to see what God does in the Irvine community and look forward to our Grand Opening on Easter Weekend!

KIDSIDE WINTER CAMP

UNCOMPROMISING FAITH

Because you are a church that pours into the next generation, we were able to take 92 kids in 3rd-5th grade to Winter Camp at Angeles Crest Christian Camp. This camp, just northeast of Los Angeles, provided a weekend away from distractions, where kids could worship in the beauty of God's creation.

And the big news is this: 36 kids accepted Christ!

Kids spent time forming friendships and building relationships as they played in the snow, did crazy crafts and were able to just be kids. But, most importantly, they were able to strengthen their foundation of an uncompromising faith that will lead them as they become teenagers and young adults.

The weekend would not have been possible without our amazing Change Makers who spend time in Kidside each week, teaching kids about the love of Jesus. Thank you for being a church who helps kids take their next step in their spiritual journey!

LOT 318

UNPRECEDENTED HOPE

LOT318 in Placentia (CA) exists to walk alongside at-risk youth and their community by empowering them to see their worth and purpose in the world. It has been an honor to partner with the organization as they equip youth to serve in their communities and make a difference among their peers.

Recently, Eastside was able to provide a significant financial gift toward LOT318's Planting Roots Initiative. This gift will help allow the organization to have a permanent presence in one of the communities where they provide unprecedented hope to at-risk youth and their families.

LOT318 provides programs like homework help, summer programs, and college, career and financial planning. Helping today's youth become a positive influence in our world is something we are thrilled to be able to support.

Through your generosity we will continue to provide necessary program supplies and ongoing encouragement to our partners who make such a difference in the areas where we live, work and play.
